## ABOUT TEXTILE N MORE

At Textile N More, we're all about comfort and luxury. We revolve around our core values, comprising the respect we show each client, employee, and the process.

We came into existence out of the endless pursuit of high quality and affordable terry towels along with a wide range of products, safely made without any harmful chemicals or synthetics.

Our towels are loved by all who understand design, value, innovation and favorites among decorators and homeowners alike. We are known in Textile Industry for impeccable delivery service and take pride in our soft, absorbent, and quality towels.

---

## OUR MISSION

We have a clear mission: We're here to help clients make confident purchasing decisions and trust us as their one-stop-quality-products-manufacturer. Our goal is to offer the finest textiles through elegance, design, creativity, and innovation that appeal to your aspirations.

---

## VISION STATEMENT

Our vision is "To be the preferred as a terry towel manufacturer for the highest quality to our customers all around the world."
